## STEVE CHRISTIANSON • 8TH SEASON • ST. CLOUD '99

NYIT head coach Stephen Christianson has transformed the softball program into one of the top contenders in the East Coast Conference and the Northeast Region. In 2009, Christianson led the Bears to a record 37 wins and the program's first appearance in the ECC tournament championship game.

Christianson looks to get the program back on track after a trio of injury plagued seasons. In 2012, the Bears more than doubled their 2011 wins total, posting a 12-33 overall record. In 2011, NYIT went 5-35. Last season, the Bears were 14-30 without starting outfielder Melissa Bradway. Yet, two Bears picked up All-ECC second team honors - Samantha Gallagher and returning pitcher Monet Ormsby. They were the first Bears to be recognized since the 2010 season.

In 2010, the Bears finished with their second consecutive 30-win season with a 33-23 record. Despite going 37-24-1 in 2009, the Bears just missed out on their second consecutive trip to the NCAA tournament. Christianson also earned his 100th career coaching victory with a 9-4 win over St. Thomas Aquinas on April 14, 2009. In 2008, he led NYIT to one of the most successful seasons in the program's history, as the Bears finished with a 29-18 record, were ranked as high as fourth in the Northeast region, and received their first bid to the NCAA tournament. Their achievements over the past three seasons have been recognized with votes in the 2009 and 2010 National Fastpitch Coaches Association (NFCA) Division II National poll.

In his first season at the helm of the program in 2007, Christianson inherited a team that was 13-22 the season before and orchestrated a 20-20 record, which included an appearance in the ECC tournament.

Christianson came to NYIT from The Baseball Center New York City, where he served as head baseball and softball instructor.

Prior to The Baseball Center, Christianson was associate director of athletics and head softball coach at Trinity University in Washington, D.C. In 2006, he was named Atlantic Women's Colleges Conference (AWCC) Softball Coach of the Year. In his two seasons at Trinity, Christianson coached four student-athletes to first team all-conference selections and four to second team all-conference selections, as well as one student-athlete to an all-conference honorable mention selection. In 2005, he guided one team member to AWCC Newcomer of the Year and Most Outstanding Player honors.

Before coaching at Trinity, Christianson coached the nationally recognized softball program at Bishop Denis J. O'Connell High School in Arlington, Va., where he served as head junior varsity coach of the undefeated Washington Catholic Athletic Conference championship team. Previously, he coached at St. Agnes High School in St. Paul, Minn., where he led the softball team to consecutive Tri-Metro Conference championships in 2001 and 2002.

Christianson resides in Mineola, N.Y. with son Gunnar and daughter Madeline. In 1999, Christianson earned a B.S. in elementary education from St. Cloud State University. He has taught at several softball and baseball clinics focusing on hitting, pitching, catching, base running, and conditioning. Christianson is a member of the National Fastpitch Coaches Association (NFCA) and NFCA Division II Softball Head Coaches Committee.

“The softball program believes the importance of community service is to give time and resources to our community that supports us so much. The learning experiences our student-athletes receive are immeasurable and allow us to be positive role models to the community.”

Head Softball Coach  
Steve Christianson

## OUR GOAL

New York Institute of Technology (NYIT) is committed to developing student-athletes and building strong relationships with local communities by engaging in community service programs that:

-  promote the image and identity of NYIT both internally and externally;
-  provide learning experiences for student-athletes, including leadership and team building;
-  develop role models and mentors for young people in the community who might not otherwise aspire to attend an institution of higher learning.

NYIT student-athletes are committed to enriching the surrounding communities through service with their time and efforts. This is accomplished through mentoring children in schools, participating in sports clinics, reading at neighborhood elementary schools, visiting with senior citizens, and cooking at the Ronald McDonald House. These are just a few examples of the projects in which NYIT student-athletes have participated.

At NYIT, community service and outreach programs are paramount to the development of the student-athlete experience. NYIT student-athletes spend more than 2,000 hours in community service projects each academic year.

The New York Institute of Technology Department of Intercollegiate Athletics and Recreation received an East Coast Conference Community Engagement Award of Excellence for the third annual "Night Out on the Bears" event. The award is presented annually to an institution that hosts an activity on its campus that embodies the principles of community engagement by building relationships and bridging the gap between campus and community.

## First-Ever ECC "Team Up to Clean Up" Day a Huge Success

On Oct. 25, 2013, the East Coast Conference (ECC) held its first "Team Up to Clean Up" day. Three member institutions, Dowling College, Molloy College, and NYIT, provided clean up efforts in their local communities as part of the ECC's one-day community service initiative.

NYIT did its part by cleaning up at Manorhaven Beach Park in Port Washington, N.Y., and Manhasset Valley Park in Manhasset, N.Y.. Student-athletes from seven teams cleaned debris and trash, including some unique finds such as umbrellas, field hockey sticks, and tires.

Director of Athletics, Clyde Doughty, Jr., was elated about NYIT's involvement, saying, "The NYIT Bears were extremely excited to be part of the ECC clean-up initiative. The ability for our student-athletes to participate in community service activities such as this to enables them to understand their blessings of being a student-athlete."

"Community service and engagement is one of the key highlights of a student-athletes collegiate career," said NYIT's Student-Athlete Advisory Committee President, Chinyere Udoh. "By participating in these events we are showing that NYIT cares and takes the time to reach out to community members. These interactions show that we care about positively impacting society and the younger generation."

## Softball and Men's Basketball Chip in at the Gribbin Elementary Fall Festival

NYIT men's basketball and softball teams joined forces with the Gribbin School in Glen Gove, N.Y., for the annual Fall Festival on Oct. 25, 2013. The Bears helped facilitate various game stations for the elementary students from grades K-2.

Held the Friday before Halloween, the event featured five athletic-related stations, encouraging exercise and promoting the fall season.

## SAAC Hosts "Beary Scary Halloween" Carnival and Costume Ball for Make-A-Wish

On Oct. 31, 2013, the NYIT Student-Athlete Advisory Committee (SAAC) in partnership with the Student Government Association, Greek Letter Council, and Campus Programming Board hosts its first "Beary Scary Halloween" that featured a Bears After Dark Carnival and Costume Ball. The event raised more than \$2,000 for the Make-A-Wish Foundation.

## Clyde M. Doughty Jr. 32 Years

Clyde Doughty, Jr., has been at NYIT for 37 years, since the day he first attended a class at the Old Westbury campus (1976). A native of Hollis, Queens, New York, Doughty attended Brooklyn Technical High School, where he played three seasons of varsity basketball.

He earned a scholarship to NYIT and during his basketball career, the Bears made it to the NCAA Tournament twice, losing in the championship game to Virginia Union in 1979-80. After graduating, Doughty became the academic advisor to student-athletes, and three years later, he became the Assistant Director of Athletics. In 1988, he succeeded Dr. William T. Lai as Director of Athletics.

Doughty currently oversees intercollegiate, recreational and intramural athletic programs at the Old Westbury and Manhattan campuses. He counts among his achievements enhancing the athletics department's organizational structure and stability, and improving the academic performances of NYIT's student-athletes. During Doughty's tenure, the Bears have made numerous appearances in NCAA and ECAC post-season play. The men's lacrosse team has won the NCAA National championship four times, 1997, 2003, 2005 and 2008, the ECAC Championship in 2001 and appeared in the NCAA championship game on two other occasions, 1994 and 2002. The men's basketball team captured the ECAC championship in 1995, while the men's track and field

placed third at the NCAA Division II Outdoor Track and Field Championships in 1999 and second at the indoor championships in 2001.

Doughty, who earned a bachelor's degree in business management, has two master's degrees from NYIT: one in human resource management and one in human relations.

Doughty has served as chair of the Eastern Collegiate Athletic Conference's men's basketball committee, the men's basketball chair of the New York Collegiate Athletic Conference, and was a member of the NCAA's Northeast Men's Basketball Regional Committee for three years. He was president of the NYCAC from 1994 through 1997, and was a member of the ECAC's Executive Council from 1989 until 1992.

In January 2001, Doughty was named to a four-year term as a member of the NCAA Division II Management Council. The council implements policies adopted by the NCAA Executive Committee and the Presidents' Council, interprets Division II bylaws, and recommends the adoption of amendments and regulations regarding Division II athletics. In 2013, he was appointed to a second term as a member of the Division II Management Council.

As part of his Management Council responsibilities, Doughty has served on two project teams and has been a member of the committees on budget and finance, championships, the Student-Athlete Advisory Committee (SAAC), the honors committee, and nominations committee.

In 2004, Doughty was selected by the National Athletic Directors Association (NACDA) as the Division II Northeast Region Athletic Director of the Year.

Doughty currently serves on the NCAA Student-Athlete Advisory Group within the student affairs division. The group supports NCAA staff in the areas of education programs, health and safety and leadership development. Since 2009, Doughty has also served as the master of ceremonies for the NCAA Career in Sports Forum.

During his tenure, Doughty has assisted in the development and implementation of the Bears Den fundraising club, the establishment of the Athletic Hall of Fame, the annual Bears Golf Outing, the Athletic Directors Honor roll, the BEARS mentor educational program, the Senior Awards banquet, the Bears Care Community Service program, and the Night Out on The Bears community engagement program.

"I am honored that I have been able to sustain a very fruitful career at NYIT," he says. "I have been blessed to work with great individuals who have taken the time to help me mature as an administrator, mentor, parent, and human being."

Doughty resides in Wheatley Heights, NY, with his wife, Pamela, his mother, Ida, and three children: 33-year-old Brandon, 25-year-old Jessica, and 21-year-old Andre.
